

In Memory of Phil Tice

Fraternal Order of Eagles Grand Worthy President 2010-2011

Our brother and friend Grand Worthy President Phillip D. Tice passed away September 20, 2010. Phil held extreme passion and admiration for The Fraternal Order of Eagles, and he dedicated a tremendous amount of his life to helping spread that joy.

On May 29, 2010, Phil officially began his tenure as the Grand Worthy President following an unprecedented installation ceremony at his home Aerie in Parkersburg. Phil then joined us in Kentucky for the International Convention, where he proudly exhibited his "Can-Do" attitude to all in attendance.

For the remainder of the 2010-2011 fraternal year, Mike Lagervall will travel in Phil's honor and memory, carrying forth the "Can-Do" message that he both preached and exhibited. He entered his year naming The Fraternal Order of Eagles Diabetes Research Center as his Special Project. As a sufferer of diabetes, he was excited to be a part of this unique effort and encouraged his fellow brothers and sisters to share his enthusiasm for the project. Therefore, all donations made in honor of Phil along the Eagle trail will go to our DRC effort.

Let's make Phil proud. Let's show him that we, too, have that "Can-Do" spirit.
