HONOR THE PAST
INSURING THE FUTURE
BY

Brothers, this month I would like to talk about the charity that Lil and I have chosen for this year. The Transplant Awareness Group was founded to provide information, education and support. I became interested in TAG when, as chairman for Ithaca #1253's charity committee I received a donation request from Brother Brian Trainor. Brian received a liver transplant some six years ago.

TAG, like the Eagles is made up of Volunteers. They, like the Eagles give of themselves to help others, (people helping people). Brian Trainor and Sam Leonardo are both members of Aerie #1253 and were involved with starting the Ithaca chapter of TAG. I will be talking about the importance of organ donation and handing out information as I travel this year. Brian Trainor has offered to provide speakers on organ transplantation whenever needed. TAG may not be as big as the Cancer Fund or the Heart Fund, but we as Eagles have the opportunity to make a huge difference in the resources that they will have to do there important work. TAG takes every chance to give the Eagles credit and are happy to let people know what the Eagles do. Please keep TAG in mind when making your bell jar donations. Make checks payable to: Transplant Awareness Group. See you on the Eagle trail and lets save some lives with TAG.

Fraternally,

Bryan Welch
