Celebrating our 99th Year

November 2006

From Our New York State Aerie President Dear Brothers, Well, here we are into Fall and the leaves are changing colors. September started out on a sad note with the passing of Past State Madam President Sue Grant. It was nice to see Past State Worthy Presidents Pat Gray and Bob Butts in attendance. We all know that Sue is now out of pain and joined once again with Skip.

The next weekend it was off to Johnstown for the Fall Conference. It was great to see Jeff Poole in attendance. The Conference was a great success. Thank you to State Secretary Bob Yager for all his help and support. I would also like to thank our members in Johnstown for their friendship and hospitality. They were wonderful hosts.

On September 30th I had my first official anniversary to attend in Cobleskill. The warmth, friendship and hospitality shown to my wife and myself is something that we will always remember. The State Officers that helped us celebrate Cobleskill's Anniversary were Don Yanchunis, Bob Yager, Lenny Biggs, Charlie Straub, Dave Cook, Mike Hoag and Past State Worthy President Harry Stewart. A lovely steak dinner was served and Cobleskill presented me with a cheque for the Juvenile Diabetes Research Foundation. I put on my little housekeeping outfit and raised more money for Juvenile Diabetes Research. Thank you Cobleskill for your generosity and friendship. I hope to see some of you again along the Eagle Trail.

Next, it was off to Sommerset, New Jersey for the Eastern Regional Conference. The Sommerset Aerie and Auxiliary did a fantastic job of hosting this event. Grand Worthy President Bill Loffer along with Grand Aerie Officers Mel Fry and Bob Wahls were in attendance. Eastern Regional President Dave Dormer introduced everyone. The meeting was very informative. I had a great time meeting old friends and making new ones. I was proud to introduce all the New York State Aerie Officers who attended Don Yanchunis, Pete Vaughan, Lenny Biggs, Larry Robillard, Garret Smith, Tom Hammond, Mike Hoag and Past State Aerie Presidents Ray Haggerty and Bob Butts.

Ray Haggerty announced that next year the Eastern Regional Conference will be held in Depew, New York. Grand Worthy President Bill Loffer and Eastern Regional President Dave Dormer informed me that they will be at the Grand Opening of Horsehead's on October 28th, 2006. **REMEMBER PLAY ALONG WITH THE PIANO MAN, HELP MEMBERSHIP REACH A HIGH NOTE**, Hope to see you along the eagle trail.

Joe Piano P.S.: Let's remember Jeff Poole in our prayers

Sexual Harassment Policy Does your Aerie have a written Sexual Harassment policy? If not it's in your best interest to get one approved as soon as you can. If you'd like a sample of a sexual harassment policy, please contact the State Aerie Secretary.

From The State Aerie Membership Chairman Brother: Awards for the month of Sept is South Glen Falls #2486 with 14 members, second Jamestown # 2145 with 7 members, third is a tie with 6 members for Middletown #544 and Ossining #1545. Good work from all the Aeries, look like everybody across the state is getting involved. Zone 1 meeting was held in Depew after the races. All in attendance had a lot of new views of how to get more members involved in their own Aeries. Thanks to Zone Director Lou Osmon and Depew for the hospitality from all in attendance. Fraternally Yours, Ted Gorney

Who Said That?

If you're planning of going to Yankee Stadium, don't go with Glens Falls Bartender, Jody Robillard. The last time she went, she was thrown out of the game. I think she was thrown out (Yes, removed from the stadium!) because they heard State Trustee Tom Hammond and State Inside Guard Larry Robillard's version of "Who's On First".

State Trustee Tom Hammond took State Inside Guard Larry Robillard to the Mall. Of course, Larry got lost. Larry approached a uniformed policeman and said, "I've lost my friend!" The cop asked, "What's he like?" Larry hesitated for a moment and then replied, "Crown Royal whiskey and women with big breasts".

Larry Robillard brought his brother Don to the Fall Conference and shared a room with him. This was Don Robillard's first attendance at a Conference. He seemed to like it but was confused about the pantyhose hanging on their doorknob in the morning. Some think it was a signal to others who usually pay Larry a visit but we're not sure where Larry got the pantyhose (or if they are his size).

Tom Hammond is putting on an addition to his home. It's been eight weeks since the start of the project and a ladder has been placed against the existing structure (nothing else).

New York State Racing and Wagering Board 2005 Annual Report On September 19, 2006 I received the 2005 R&W annual report with some interesting facts. The 34 Fraternal Order of Eagle Aeries sold \$7,668,259.00 of Bell Jar tickets. This means that it's confirmed that the Eagles in New York State gave over \$500,000.00 to charity last year. One month ago, the mandated charity donation was eliminated but we know our Aerie's will continue to support charities. More details can be reviewed online www.racing.state.ny.us.

A Message From Jeff and Candy Poole *Jeffrey and I would like to Thank you all for your cards, calls, prayers and good wishes. I am sorry this is late in coming, as things have been very hectic. Two Kemo treatments down and all is going relatively well. I know that your thoughts and prayers are helping us get through this. We hope to make it to as many Aerie's as possible in the future. Thanks again for your support as it truly does mean the world to us. Fraternaly yours, Candy and Jeff Poole*

From Jeannette Duary, Schenectady Aerie Hi all, just wanted to let you all know that Joe left for Marine boot camp today. He will be there for 13 weeks, until Jan. 8, so no Christmas, Thanksgiving or New Year's. Not sure where he goes after that, but he signed up for Avionics Communications, so 8 months of training after boot camp. Please keep him in your thoughts and prayers. Thanks. Jeannette (Jan)

Change in Policy at Racing and Wagering The following rule and policy change is being worked on. In the past, it was required that a Member in Charge (volunteer) be on site whenever bell jar tickets were being sold. That was unreasonable. This new policy will allow the Member in Charge one half hour to be at the Aerie to participate in a Racing and Wagering audit. § 5622.1 Duties of member in charge (Underlined are the changes)
The officers of every authorized organization licensed to conduct games of chance shall designate not less than four bona fide members of the licensee to be in charge and primarily responsible for the management of the games of chance during each license period. Such members shall supervise all activities during the license period for which they are in charge and shall be responsible for the making of the required report thereof, GC-7, GC-7Q or GC-7R. The members in charge shall be familiar with the provisions of the Games of Chance Licensing Law, the applicable ordinances or local laws, the rules and regulations of the board and the terms of the license. A member in charge shall be present on the premises where the game or games are conducted at all times during the license period, except when the games of chance known as bell jar and/or raffle are the only games of chance conducted. For the game of chance known as bell jar, a member in charge shall be available and shall appear at the licensed premises within one-half hour of being summoned by an agent of the board or an officer, agent or employee of the municipal governing body, or at such time exceeding thirty minutes deemed appropriate by the board agent. For the game of chance known as raffle, a member in charge shall be present during all raffle drawings. Licensed authorized organizations violating the provisions of this section shall:

- (1) upon such first offense, be issued a notice of violation informing the officers and members in charge that a second violation will require their presence at a compliance meeting conducted by agents of the board;
- (2) upon such second offense, the officers and members in charge shall participate at a compliance meeting conducted by agents of the board wherein those officers and members in charge shall propose corrective action; and
- (3) upon such third offense, the officers and members in charge shall participate at a hearing to be conducted by the board and surrender their license for such period as recommended by the board.
