Celebrating our 100th Year

2007

February 2007

From Our New York State Aerie President Dear Brothers; I hope your holidays were made of memories that will last a lifetime. Thanks for all the support given to Lorna and me when Lorna's Mother passed away. The state officer gathering at Cortland was a huge success. I appreciate everyone that braved the weather to join us for some fun and a little bit of work. The prize for coming the farthest was given to Past State President **John Palmer** and **Debbie Bartlett**. They drove in from Crossville Tennessee. He won two tickets (after he paid the \$40.00) for a chance to win \$1,000.00 in the 300 club raffle run by **Bob Sharkey**. Don't forget to purchase your tickets. Special thanks to the Cortland Aerie and Auxiliary for their hospitality and kindness. Everyone in Cortland made us feel special and **Carol** really knows how cook. **Janet and Gordy Brenenstuhl** came all the way from Hoosick Falls and it was good to see them. **Lenny Briggs** doesn't like driving in the snow but came up from Johnson City anyway. **Bob Butts** shared some information with us about his upcoming year as the Eastern Regional President. **David Cook** came in from Johnstown and sat on mahogany ridge waiting for **Mike Fahy** to show up. **Brenda Denman** came in with a little orange on (surprise!). The State Auxiliary President **Ruth Fitch** and her sidekick **Pete Vaughn** left Olean in the hands of **Mike Fahy**. **Dave** is still waiting for you to show in Cortland **Mike**. **Ted and Barb Gorney** had some input at the meeting about membership. **Pat and Judy Gray** joined some folks at the Ponderosa on Friday night to help celebrate Judy's 55th year. They left **Ashley** home to feed her dolphin. **Tom Hammond** was working on a special "stealth" project. **Carol Harris** spent some time getting information on some of the grants processed. **Mike and Bernice Hoag** made it since **Mike** quit eating **Bernie's** cooking some time ago. He's recovering very well thank you. **Tom and Margaret Hodge** spent hours on the road to support the grant process and help obtain grants for those in Watertown. **Mary and Phil Iacuzza** left the Santa outfit in Rochester to attend. **Donna McChesney** was there with "sad feet" (not happy feet) because there wasn't any dancing. I think **Betty Nichols** had happy feet. Either that or she was waiting for the bathroom. **Doug and Iris McDermott** was there to show their support. **Danny and Ellen O'Neil** took a break from helping their kids with their businesses and spend some time with us. **Tammy and Lou Osmon** had a half time break from one of "Lunch Box" **Christina's** basketball games. **Candy and Jeff Poole** left the Jag at home and stopped in to have some fun. **Larry Robillard** came down so he wouldn't have to give his daughter **Jodi** some walking around money. **Garrett Smith** contributed to many cause's including the New York State history project. **Barney and Bernie Spencer** came in and spent some quality time with **John Palmer, Deb Bartlett, Harry Stewart and Katie Woolson** (minus the tomahawk). **Charlie Straub** came in with the 100 years of the New York State Aerie Convention proceeding books on cd. They were passed out at this meeting. It was good seeing **Bryan and Pat Welch** (Friday Night) but I have to hand it to **Lorna** for getting them there. She called for a cab and stole the keys from the cabbie when he got there. **Don Yanchunis** came without **Audrey**. Don't worry **Audrey**, he behaved himself. **Gary and Mary Gwitt-Stokes** was there but without her tattoo t-shirt (Your going to heaven **Gary**). **Janet Sechler and Herb** came in from Lockport to add stability to the group. **Art Gonyea** was there but no one saw him. Oh yes, I think **Bob Yager** might have been there too. I'm sure I missed someone but the next time you see me, make sure you yell at me then or call me at 705.538.0429. **Joe Piano**, Your State Aerie President

From The State Aerie Membership Chairman BROTHERS: The awards for December is Troy #3773 with 10, second place went to Ossining #1545 with 5, tied for third was N. Tonawanda #1411 and Watertown #782 with 4. Good work by all the Aeries who have reached their quota. We also have about 10 Aeries within reach. Good work by all zone, district directors and by our members. You are the people who can get the job done and continue to build for our future. Barb and I had a good time in Cortland for the State Officers Meeting. Your hospitality was great. Thank You. See you along the trail. Fraternally Yours, **Ted Gorney**

Bell Jar Tickets Arrow Capital bell jar tickets have come into a Aerie with a lot of dust and crud in them. Be careful loading these tickets in your machines. Some deals have been returned to the vendor. A word to the wise.

"Bach to Rock" Gala for the Northeast New York Arthritis Foundation will be held on March 10, 2007. Since this is the same date as the Saratoga Aerie Anniversary, we will not be encouraging attendance at the Bach to Rock Gala. This year's State Auxiliary charity is arthritis related and we decided not to give the \$5,000 yearly grant to the Arthritis Foundation but give it to the State Auxiliary charity instead.

Zone Three On January 13, 2007, State Vice President **Don Ynachunis** and I visited the Middletown, Sleepy Hollow & Ossining Aeries. I delivered membership awards to Middletown and Ossining. The hospitality shown to us by all 3 Aeries was great. When we arrived at Middletown, almost all of the Officers were present to greet us. They also provided food. Officers were also present at the Sleepy Hollow and Ossining Aeries. I plan to visit as many Aerie homes in the zone as I can possibly get to, just to introduce myself and say hello, and to offer any assistance if they request it. I'll keep in touch with any updates as they become available. Fraternally, **Ed Gradwell**, Zone Three Director

NEW YORK STATE AERIE HISTORY As you know, this year is our 100th year in existence. In an effort to save our history, arrangements have been made to electronically scan all State Aerie convention books from 1907 to the current date. By scanning in these thousands of pages, our history will be available to all and not just the State Aerie Secretary. All of these convention books are in a cardboard box and is the only known complete set of proceeding books. If anything ever happened to this box, our history would be lost forever. To scan the complete set of proceedings, the cost will be \$1,500.00. We are asking all Aerie's for help in trying to preserve our history and make it available to everyone. Would you please consider making a donation to this worthwhile cause and send in a donation made out to the New York State Aerie, with History in the memo section? Anything you can do will be gratefully appreciated.

Letter sent to Eric Williams for the great work he did on our State Aerie history:

Eric, Last Saturday in Cortland Bob Yager handed out some of the CDs of our Official Proceedings that you so graciously had prepared for us. I was one of the people who received one and I really have to say you did a fantastic job, I was very impressed on the clarity of these precious keepsakes and also with the graphics you scanned for us. My curiosity and ambition has long been inspired by the history of our organization and found this a diamond in the coal mines, Thanks Again for your hard work!. Fraternally Yours, **Lenny Briggs** RP, NYS Conductor

Per Capita Tax Only Nine Aerie's owe the December 2006 State Aerie per capita tax. When you get a chance, please send in your per capita tax Auburn, Utica, Elmira, Sleeply Hollow, Binghamton, Hoosick Falls, Canajoharie, Adirondack and Erwin. Again, thanks for your help and for everyone's help in the past. We haven't had an Aerie that owed more than one period in over two years! Keep up the great job your doing.

News From the Great State of Georgia

The latest State Newsletter, The Eagle's Quill, is now online at <http://www.foe.com/georgia/news.html> **Mike Murphy** and I drove to Waycross last night and Okefenokee Aerie #4502 had their first meeting in their new Aerie home. They have a wonderful building with paved parking and a flag pole, surrounded by a chain link fence and across the street from a Best Western that is offering all Eagles a 20% discount. Inside is an office, two bath rooms, one with a shower. There is an outside area with picnic tables under a shelter for in climate weather. The "big" room is about 1200 square feet. They will put in a drop ceiling and insulation and drywall on the walls and they will be good to go. They should have a juke box, pool table and two machines this week. It is small by comparison to the other Aeries in Georgia but compared to where St. Marys #4379 was about seven years ago, it is a mansion. It is about like what Gainesville #4452 had a couple of years ago, complete with the hotel just outside. The Trustees will draw up House Rules this week but I believe they will open at 3:00 to begin with. If you are going through Waycross on US 1 South toward Jacksonville, FL, turn by the Best Western and stop in to see the Swamp Eagles.
