**Dear Sisters,**

This will be the last letter of my term as your NYS Madam President. I hope everyone has had as much fun and enjoyment as I have had this year. I wish to thank all of my sisters for getting the new members and re-enrollees for us this year. Although I didn't reach my goal of 492, I know you all did your best.

In May, I traveled to Elmira, Johnson City, Tonawanda and Lockport. The friendliness, gifts and love shown will always be cherished. My last visitation will be with our Auxiliary sisters in Addison.

I urge each Auxiliary to send delegates to the NYS Convention in Ithaca this year. This is an important time for each Auxiliary to be heard about what they want. This is your convention. Please let's have a great turn out this year. My letters to the State Officers and the Delegates for your committees will be sent out shortly.

It has truly been a pleasure traveling around the State with NYS Worthy President Dan Curcio this year. . . Especially in Tonawanda when I introduced my niece to everyone. This was Joanne's first time attending an Anniversary party. She is a lot of fun and absolutely a true blonde. She had a few of you in stitches. She had such a good time that she is planning on attending the State Convention this year!

To Helen, our State Mom, thank you for being there all these years and being my dear friend. You did a great job.

Until Convention, everyone be safe and I hope to see you there.

Thank you one and all for the great year.

**Well until we meet again along the "Eagle Trail". Remember To:**

**"EGGSTEND YOUR HAND OF FRIENDSHIP"**

Fraternally,

**Cathy, NYSMP**

Madam President Cathy's goal is 492 new and re-enrolled members plus 1 new auxiliary						

Check at the convention for the year end totals.

Summer is coming real soon. Time for ice cream cones. To keep them from dripping all over the little ones, put a marshmallow in the bottom of the cone to prevent drips.

**From the Membership Desk:**

Dear Sisters,

This Eagle Year has been a very good one for all of us. We worked together, played together, and had a lot of fun and laughs. But most of all we all became stronger friends. I know that each of you did her best to ensure the growth of our wonderful organization. And for this I thank each and every member that said "Would you like to join us?" And to those of you that didn't sign a member I would like to say Thank you for being there and giving strength and guidance to others. For I believe that the friendships formed throughout the years are for a lifetime.

I am looking forward to seeing many of you during convention in Ithaca.

Fraternally,

Barbara Newman, Membership Director

Dear Sisters,

Nice weather has finally arrived and we are all getting ready to attend the New York State Annual Convention, which is being hosted by Ithaca Aerie and Auxiliary # 1253. If you have not given thought to attending, think about it and plan to go for at least one day, and see and hear what **MOST** of our Auxiliaries are all about. **PEOPLE HELPING PEOPLE.....MEMBERS** working hard to raise monies to donate to the various Charities at the Local, State and Grand level. Also, the Grand Representative at the Convention will be Grand Madam President Elect, Roxanne Alley from Maine.

To the local Secretaries that have paid the May 2005 Per Capita Taxes in such a timely fashion...we Thank You. To the remaining Secretaries, please take time to get the check in the mail today. To our **FOUR VERY DELINQUENT AUXILIARIES**, what can I say?? One reminder to the Secretaries, please make your checks payable to the New York State Auxiliary.

If I do not see you at the State Convention, have a Great summer and hope to see you along the Eagle Trail in the near future!!

NYS MVP Mary Iacuzza would like to share a little information with all of you before you arrive at convention.... Mary's color is shades of blue. She collects clowns, hummingbird figurines and wind chimes. Mary's favorite flower is the yellow rose. Mary would also like to ask that dresses be worn to the Saturday night banquet.

**Past Grand Madam President Lorraine Grimes from Sikeston, Missouri**

has cancer and has started chemotherapy treatments. Her own words about the first treatment were "It's A Breeze - I could have driven myself". Her immune system is very low and it would be very easy for her to contract anything. She isn't going to go anywhere or have visitors for a while. She said she would be fine as long as her computer didn't go out - then we would be able to hear her scream from North Missouri. So ~ we would like to start an email shower for Lorraine ~~ so she will have lots to read while she is in solitary confinement. If you could take the time to send her a card ~ she would be most appreciative.

Her email: ["mailto:lgrimes8@aol.com"](mailto:lgrimes8@aol.com)

Cards and notes can also be sent to: Lorraine Grimes  
715 Greer Avenue  
Sikeston, MO 63801

**The Missouri Eagles THANK YOU for your time and effort! We Love Lorraine and want to show her how much everyone loves her!**

---

I don't know where to begin thanking all of you for the cards and letters which I received when my Mom Anita Dunn and my sister passed away. The love and prayers that you sent helped me a lot. Thank you for caring.

PSP Anita Dieckmann

---

NYSMOG Janet Sechler would like to express her gratitude for all the cards and letters sent for speedy recovery after her surgery. She said it made the time go faster and she worked harder to get back on the road to see all her Eagle friends.

I want to say thanks to my parents (Mary & Phil Iacuzza) and all the Eagle brother's and sister's who sent me cards. They mean so much when you are so sick. Also all the phone calls to my parents asking how I

was doing and all the prayers when I was so badly hurt. I still have a long way to go. I am going to try to come to my mother's installation to see her installed and be there for my parents. Thanks again to everyone.

Love,  
Terri Burns

I know you all have heard of Martha Stewart and Maxine. Here are a couple of tips on the same topic.

**Martha's Way**

To keep potatoes from budding, place an apple in the Bag with the potatoes

**Maxine's Way**

Buy Hungry Jack mashed potato mix, keep it in the pantry for up to a year.

---

When a cake recipe calls for flouring the baking pan, use a bit of the dry cake mix instead and there won't be any white mess on the outside of the cake.

Go to the bakery! They'll even decorate it for you!

---

If you accidentally oversalt a dish while it's still cooking, drop in a peeled potato and it will absorb the excess salt for an instant "fix-me-up".

If you oversalt a dish while you are cooking, that's too bad. Please recite with me the real woman's motto: "I made it and you will eat it and I don't care how bad it tastes!"

---

Cure for headaches: take a lime, cut in half and rub it on your forehead. The throbbing will go away.

Take a lime, mix it with tequila, chill and drink!
