Bottom line, Our club can not exist without its current membership base and can not exist without new members. It cannot exist without its current members coming into the club during club hours to support the bar, fish fry’s, music and events and benefits.

We need you to become active members. Please assist us officers in keeping our club alive and help us keep doing the improvements that need to take place to make our club attractive , clean and up to date. How? By volunteering in the kitchen, holding events, help clean, donate a little time, bring in new members, fund a needed project attend meetings, attend Saturday night live music and dance, bring in the family for a fish fry, etc.

We are always striving to please our members and build a new membership base. Our club is now open Sunday thru Saturday, Sunday is our Dollar draw date, at 6 pm, Monday is night football, Tuesday is card night, Wednesday is meeting night, Thursday is co-ed horseshoe, Friday is live music along with the fish fry, and Saturday is our live band and dance night.

To please our smoking members, Sunday thru Thursday is member only nights, Friday and Saturday we are open to non-members to help increase our membership base. Have any ideas, bring them to the Aries, meetings or tell an officer. We need new ideas as well as people ready to step up to the plate to help get them off of ground. We look forward to another 101 years of Eagle activities, see you at the meetings.

Auxiliary Sisters:

The job of the secretary consists of collecting money for membership dues, keeping appropriate records, taking minutes at the meetings, communicating all correspondences to the auxiliary and many other functions, along the way.

All membership dues expire May 31st of each year. June 15 if dues are not paid, all club privileges are suspended. Reminders are done June 5, July 5 and August 5. First notice was in the newsletter, second notice was a written notice mailed to your home, and the third notice is placed in the newsletter.

Any auxiliary member whose dues were not paid by the newsletter in August were placed in the newsletter as delinquent. A few members feel it should have been worded differently. Should I have said the following members have not paid their dues? Or the following members are late in paying their membership? I felt delinquent was the proper wording.

I realize that many people are having financial difficulties due to the rise in cost of groceries, gasoline, utilities and some even have personal issues and their last thought is to pay membership fees for a club. We have all been there one time or another.

The cost of your membership is a bill owed every year. This might be for “entertainment purposes” but it is still a debt owed...

The responsibility of and Auxiliary member is to keep the secretary informed. Get a new phone number, if you moved or if you are choosing not to rejoin. By doing this you can help save the auxiliary money for postage.

We are fortunate to have an establishment where you can get some conversation with fellow members, enjoy a couple drinks, enjoy some great food, listen to some great music and dance the night away.

NON– MEMBERS ask what perks they get for becoming a member, please tell them that the AUXILIARY is not about perks, we are PEOPLE HELPING PEOPLE and WE believe in HOME, COUNTRY AND GOD.

Thank you,
 Laurie Crowley
 Auxiliary Secretary

Greetings, Aerie and Auxiliary Members,

Lots of good things have happened since our last letter. The Smokin' Eagles BBQ championship was successful. We didn't make a lot of money but we did learn a lot, and with the support from our membership, it could be a fantastic event next year.

I hope you didn't miss the Adult Picnic, chaired by Chuck Henderson. We had a terrific variety of delicious food.

Linda Reuther did an excellent job organizing the 30 Week Club Dinner-Dance. I think everyone attending had a good time, and Linda agreed to handle the next one. So be sure to get your tickets soon.

It's good to see our Friday fish-fry and music off to a nice start again, thanks to our kitchen volunteers. John Reuther always comes up with some good food for Thursday evenings, too.

We are looking forward to the Adult Halloween Party on November 1st (wear a costume and get a free drink) and the Turkey Gobbler Party on November 8th with a new entertainment group and prize drawings.

Aerie finances are in good order and we owe a big thank you to Worthy Secretary, Al Gonas, and Treasurer, Charles Piskor. They put in many hours to keep things running smoothly.

If you have any ideas or improvements for improvements around the club, please come to the meetings and express your thoughts.

I hope to see you there!

Dick Wingrove

Worthy President

I hope everyone enjoyed their summer. Our club had a lot of activities going on and it is nice to be able to take a 5 minute breather. But, don't take much longer than that because our Club always has something new to offer. We are very lucky to have members who come up with great ideas everyone can participate in. If you are bored it is your own fault for not checking out your club for things to do.

On Saturday, October 4th the ladies auxiliary, with the help from John Reuther, is holding a chowder sale to support our many charities. Please come and purchase quarts of John's famous chowder and the Auxiliary's delicious baked goods. The Chowder sale starts at noon.

On November 8th a group of ladies with the permission of the Aeries are having a Turkey Gobbler Night. Tickets are \$25.00 per couple and \$15.00 single ticket. The ticket includes draft beer, boxed wine, and fountain pop; also you will be included in a Thanksgiving Basket and Christmas Basket and 3 Turkey Raffles. Other Turkey Raffle tickets and 50/50 will be available for purchase during the evening. Tickets are available now. Don't wait too long and miss out on great entertainment from A&W, who will provide a show like none you have seen before. Please purchase your tickets for this great fund raiser before they are gone. All monies will go towards the Pavilion Fund, something that will benefit every member of this club.

The Auxiliary would like to thank the Aeries for finding us a space for an office. This is greatly appreciated. We would also like to thank in advance, Tony Gutka, Fran Conboy, Rick Ellman, and Dan Dolan for volunteering their time to build this for us. We can use extra help – if anyone has an extra desk, file cabinets, desk chair or any other office type item they no longer need and would like to get out of their house, please consider donating to furnish our new office.

Looking to the future,
Kim D. Dolan
Madam President
