

AERIE 2486 NEWSLETTER

Aerie Brother Charlie Straub

To my brothers and sisters. I wish to thank you for the support and the changes coming about at our Aerie. Since April 3, 1963, I have been active in this fraternity. It is comforting to know that there are people willing to step up and help, especially in today's busy world. We encourage the membership to come forward and lend a hand. Come enjoy our company. Please be assured that FOE 2486 is not just another bar. Our mission is to make our home towns a better place in which to live, work, and play. We strive to provide a haven for you and your family to enjoy.

Of course we are in business to raise money but the end results of our efforts are charitable causes. People helping people is not a phrase it is our way of life. Our Aerie and Auxiliary are doing their part with three people (Tracy Suttle, Larry Robillard, and myself) going into state office consideration. It is a fact that the more you do for the Aerie and Auxiliary the more you'll get out of it. Finally, our Aerie extends a heartfelt congratulation to Charlie for his entrance into the "Grand Aerie Hall of Fame" for organizing (8) Aerie locations. He joins the ranks of such esteemed figures as FDR, JFK, John Wayne, Harry Truman, Bob Hope, John Glenn, and Jimmy Durante.

Aerie President Hugh Capen

Welcome to all past and present brothers and sisters. Aerie 2486 is kicking off the fall calendar with an **Eagle Fest**. This is a member appreciation day for all the members. **Eagle Fest** is October 3rd with live music. The Aerie will provide hot dogs, hamburgers, and a keg of draft beer. Come to the Aerie and renew friendships. Come and see the exciting things that are happening. The Aerie replaced all of the windows this past summer with energy efficient windows. This should help with energy costs and the windows also were appropriately decorated with eagles. Another program that is back is the NFL ticket featuring Sunday football and weekly food offerings for the hungry sports fan. Also two new flat screen televisions have been purchased to further give the bar a little bit of a facelift. I want to thank all the people who have volunteered on these projects. I look forward to working with the older members coming back to the club and the young members just getting their feet wet with the Aerie. Together we can make a difference.

Fraternally your President
