See sign up form in this issue

From the Grand Aerie Directors for the Diabetes Research Center... "Each and every day, we should find great pride in being members of The Fraternal Order of Eagles. This great organization has endured for more than 112 years, and has helped countless fellow human beings. Our organization saw to it that Social Security was put in place 75 years ago, and was instrumental in developing the day we now know as Mother's Day. And it is our organization that will make an indelible difference in the lives of those suffering with diabetes. We stood up two years ago to make a unanimous pledge. It is my organization that will – without question – meet that pledge, and develop The Fraternal Order of Eagles Diabetes Research Center. "

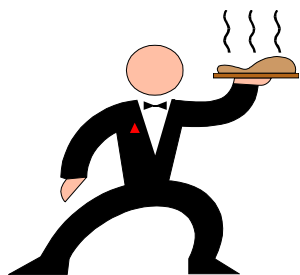

All of us know someone that lives with diabetes every day. The membership attending the 2009 Grand Convention approved a pledge of \$25 million over 5 years toward the Fraternal Order of Eagles Diabetes Research Center. You and I can be a part of finding a cure for diabetes. Please visit the Grand Aerie Web Site at <http://www.foe.com/charities/diabetes.aspx> to make a donation, or send your check to your Auxiliary or Aerie to have it included with their donation.

In Memory of Our Deceased Members- May they rest in peace.
