Fraternal Order of
Eagles #1253

Issue 2 2011-2012
August- September 2011

From the Grand Aerie..

"We have introduced a new members-only website for The Fraternal Order of Eagles. Our goal is to be able to share more information and useful tools with all members in a more secured setting. For example, on the new site you will find a listing of officer biographies and photos ready to download for your needs. This is just one example of the customer-service oriented improvements we have made and will continue to make.

"You must be a member in good standing to register. Because the site is tied directly to the membership program, if a member is dropped, he/she will no longer have access. We are simply ensuring that the people visiting are actually members.

"There will be no need for members to learn a new web address. The login link for the members-only area is located on the top right corner of our current home page, www.foe.com. Click "Members-Only Login" to begin your tour. In the end, the "front end" of foe.com will offer just general information for those interested in our organization (a public marketing presence). All member tools and information will be slowly relocated to the members-only area by the end of this year."

Euchre will start again on September 1st. Please sign up at the Club, and if you would like to sub, put your name and phone number on the sign up sheet. Please be there by 6:30. We will be starting at 6:45. Come have fun playing cards! Questions? Call Bonnie Sullivan at 229-6043
